

JACK WINTZ

SUPERINTENDENT

Contact	Summary
345 Spring St. Suite 103 Paso Robles, CA 93446 805-472-2400 Jackjmconstruction.com	Over 30 years of successful, hands-on construction management of high-end residential work with challenging projects. Able to take a design from groundbreaking through final punchlist, including initial bid packages, schedules, subcontracts, change orders, RFI's and Architect / Owner meetings. Fluent in Excel, Project, Procore, Outlook and Word. Knowledgeable in all the trades and enjoy working closely with architects, engineers, consultants and subcontractors to find creative solutions for difficult design situations.
Previous experience	Work Experience
Onsite Project Manager	JM Construction 8/2024-Present Superintendent Paso Robles, CA
Office-based Project Manager	My responsibilities include managing and supervising on-site personnel, subcontractors, and vendors, ensuring safety protocols are followed, and maintaining compliance with all regulatory requirements. I coordinate with project managers and clients, resolve any issues that arise, and monitor the progress of construction to ensure efficient workflow. I also play a key role in project planning, scheduling, and conducting quality control inspections. My experience ensures that each project runs smoothly and meets all expectations.
Office-based	Gordon Gibson Construction Onsite Project Manager Santa Monica, CA
Estimating/Scheduling	Eight-month buildout of West Hollywood high-end restaurant Bottega Louie. Coordinated kitchen contractor, ME&P's and installed all
Owner's Representative	finishes in main room, restrooms, manager's office and exterior dining patios. Assisted existing team on 21,000 SF Hollywood Hills project.
Supervisor	Developed Microsoft Project schedule, bid out finishes and organized new utilities work. Started new 6,000 SF home in Pacific Palisades. Set up
Purchasing Manager	Microsoft Project schedule, let all subcontracts and bid out finishes.
